Our movement is an existential threat to the establishment.

“Our movement is about replacing a failed and corrupt political establishment with a new government controlled by you the American people.

There is nothing the political establishment will not do, no lie that they won't tell, to hold their prestige and power at your expense and that's what's been happening. The Washington establishment and the financial and media corporations that fund it exist for only one reason: to protect and enrich itself.

The establishment has trillions of dollars at stake in this election for those who control the levers of power in Washington and for the global special interests they partner with. These people don't have your good in mind.

Our campaign represents a true existential threat like they haven't seen before.

This is not simply another four-year election. This is a crossroads in the history of our civilization that will determine whether or not we the people reclaim control over our government.

The political establishment that is trying to stop us is the same group responsible for our disastrous trade deals, massive illegal immigration and economic and foreign policies that have bled our country dry.

The political establishment has brought about the destruction of our factories and our jobs as they flee to Mexico, China and other countries all around the world.

It's a global power structure that is responsible for the economic decisions that have robbed our working class, stripped our country of its wealth and put that money into the pockets of a handful of large corporations and political entities.

This is a struggle for the survival of our nation.

And this will be our last chance to save it.

This election will determine whether we are a free nation or whether we only have the illusion of democracy, but are in fact controlled by a small handful of global special interests, rigging the system and our system is rigged.

This is reality. They know it, you know it, I know it and pretty much the whole world knows it.

The Clinton machine is at the center of this power structure. We've seen this first hand and in the WikiLeaks documents in which Hillary Clinton meets in secret with international banks to plot the destruction of US sovereignty in order to enrich these global financial powers, her special interest friends and her donors.

The most powerful weapon deployed by the Clintons is the corporate media in the press.

Let's be clear on one thing. The corporate media in our country is no longer involved in journalism. They are political special interests, no different than any lobbyist or other financial entity, with a totally political agenda and the agenda is not for you, it's for themselves.

Anyone who challenges their control is deemed a sexist, a racist, a xenophobe and morally deformed.

They will attack you, they will slander you, they will seek to destroy your career and your family. They will seek to destroy everything about you including your reputation. They will lie, lie, lie, and then again they will do worse than that.

They will do whatever is necessary.

The Clintons are criminals. This is well-documented and the establishment that protects them has engaged in a massive cover-up of widespread criminal activity at the State Department and the Clinton Foundation in order to keep the Clintons in power.

I knew they would throw every lie they could at me and my family and my loved ones. I they knew they would stop at nothing to try to stop me, but I never knew, as bad as it would be, I never knew it would be this vile, that it would be this bad, that it would be this vicious.

Nevertheless I take all of these slings and arrows gladly for you.

I take them for our movement so that we can have our country back.

I knew this day would arrive. It's only a question of when and I knew the American people would rise above it and vote for the future they deserve.

The only thing that can stop this corrupted machine is you.

The only force strong enough to save our country is us.

The only people brave enough to vote out this corrupt establishment is you, the American people.

Our great civilisation has come upon a moment of reckoning.

I didn't need to do this folks, believe me. I built a great company and I had a wonderful life. I could have enjoyed the fruits and benefits of years of successful business deals and businesses for myself and my family instead of going through this absolute horror show.

I'm doing it because this country has given me so much and I feel so strongly that it's my turn to give back to the country that I love.

I'm doing this for the people and for the movement and we will take back this country for you and we will Make America Great Again.
